

Introducing SchoolsHUB

We are excited to announce the redesigned reporting website, SchoolsHUB, will launch in April 2019.

Built to support Australian schools, SchoolsHUB will replace the current Schools Entry Point (SEP) system as the single access point for schooling organisations to manage grant funding and reporting requirements.

So, what's new:

- A simple user registration process
- Self-management of your profile
- Easier site navigation
- Intuitive collection layout, functions and tools
- Targeted in-system help and support
- Quick reference inbox, calendar and news features

Coming in April

- SchoolsHUB open for user registration, sign in and collection access
- Student Attendance open for Acknowledgement of obligation
- Financial Questionnaire and Financial Acquittal open

Find out more

Additional information about SchoolsHUB registration, sign in and user support will be provided shortly. Stay tuned!
